The Sunlight is
Glistening on
Those "Orange Rims,"

but unfortunately for us it is not glistening on them in this country, as our shipment of STEARNS wheels was put on the "W. H. Dimond," so is not due here for a week. Our COLUMBIAS also are still out of wheeling range, as they got to S. F. the day before the steamer sailed, and no more freight would be received, but they will come along soon, and in the meantime we want you to know that we received 97 RAMBLERS by yesterday's steamer, and can fit you out with either a '96 or '97 wheel, and we know we can suit you. The 1896 RAMBLER is the bargain of the year and the chance to buy a well known high grade wheel for \$75 and \$80 will not last long, as we are informed by the makers that this is the last lot of '96 wheels they can furnish, for, as they write, "our sales have been phenomenal, and you took the last '96 wheels we had in stock."

WE RENT BICYCLES by the hour, day, week or month, and we rent high grade new wheels, such as RAMBLERS, STEARNS, and COLUMBIAS, so if you want a short ride or a long ride, want to ride single or want to ride double, drop in and see how nicely we can fit you out. You will get just as good a mount if you telephone us, and we will send your wheel to your door. Your chance to buy a '96 RAMBLER cheap will only last a few days, don't miss it.

THE EVIDENCE NEEDED.

She Knew What It Was and Finally Helped Him Out.

The diffident young New England chap was in love with the Washington girl and had been since last winter, but he stumbled over himself so when he tried to tell her that she really never knew what was the matter with him, though she more than half suspected.

Finally he thought the time had arrived when he must tell her all that was in his throbbing heart and he proceeded to do so.

"Miss Blank," he said, after a lot of preliminaries, "I have something very important to say to you this evening."

"Yes?" she twittered cheerily from the depths of an easy chair she occupied about 40 feet away from him.

"Yes, Miss Blank, something very important, and I hope you will permit me to tell it to you."

"Miss Blank," he said after a pause, "I love you—love you more than I can tell. Don't you know that I do?" he added nervously.

She was as cool as a cucumber.

"I can't say that I do, Mr. X," she replied, with a chill to his hopes.

"But you ought to know it, Miss Blank," he insisted.

"I don't see why I ought," she argued.

"Because I love you, that's why!" And he got up and began pacing the floor.

"That's no reason why I should know it," she persisted.

"If it isn't, is there anything I can do to show you how much I love you?"

By this time he was so nervous he almost danced.

"Yes, there is, and you ought to know what it is, Mr. X." And now the young woman arose and faced him as he stopped near her chair.

"Name it," he said hoarsely, "and I'll do it if it takes my life."

"Why, it is simply to take me in your arms and kiss me. That's what it is, and you ought to have done it long ago."—Washington Star.

Reasons Why.

There are two reasons why people are now paying car fare all the way from Waikiki to the Palama Grocery and back. Reason 1. It is the only place on the Islands where the celebrated Salvation Army tea is sold. Reason 2. After paying car fare both ways patrons find they are money in pocket by dealing at this "live and let live" establishment. We also deliver goods between Diamond Head and Moanalua free.
